

Carolina Pines Regional Medical Center's Hospitalist Group Joins Forces With Nationally-Recognized HNI Healthcare

HNI Healthcare, a nationally recognized hospital-based practice management company, announced that as of February 1, 2016, it assumed management of the Carolina Pines Regional Medical Center's Hospitalist Group, located in Hartsville, South Carolina.

"We look forward to working with the Carolina Pines to realize our shared goals of elevating patient outcomes and patient satisfaction for the citizens of Hartsville and surrounding communities," said Michael Gonzales, Founder and CEO of HNI Healthcare. "We bring deep resources, intelligent technology and experienced leadership in Hospitalist practice management. We look forward to a long and successful relationship as we work together to transform the delivery of hospital-based care."
